

# Chain & Cable

## Foaming Chain & Cable Lubricant

**Prevents Corrosion**

**High Pressure & Temperature Resistance**

**Fortified with “Moly”**

**Excellent Chemical Resistance**

**Chain & Cable** provides a thick foam that clings to vertical surfaces while the lubricant penetrates into wire rope and roller chain mechanisms.

**Chain & Cable** prevents surface oxidation and corrosion even in acidic environments and under salt spray conditions.

**Chain & Cable** is effective on chains, wire cable, open gears, sprockets, chain saws, drag lines, power drives, booms, hoists, winches, cranes, linkages and roller assemblies.
