

Fleet 901

Highly Concentrated Degreaser

Non-Flammable

Highly Concentrated

Biodegradable

Easy-to-Use

Fleet 901 is formulated to clean quickly, easily, and rinses freely. This is a heavy duty degreaser/cleaner that is very concentrated, safe, and easy to use. It rinses with water, without leaving a film.

Fleet 901 will remove heavy grease, grime and dissolves even hardened grease and oil instantly. Use in dip tanks for any metal cleaning process other than aluminum. It should not be used on glass surfaces, resilient tile, painted wall surfaces or aluminum and magnesium surfaces. For conveyors, road equipment, engines, machinery, concrete floors, exhaust hoods, air filters, etc.

Available Sizes: 55 gal, 5 gal, 1 gal
