

**CONTAINS NO CHLORINATED SOLVENTS
(NO 1,1,1-TRICHLOROETHANE)**

An oil-based treatment that quickly attracts dust and dirt to mops, cloths, and mitts. Eliminates the annoyance of flying dust. Reduces possible inhalation and prevents resetting. Contains special ingredients that convert dust into heavy lint, which shakes out or can also be washed out easily. A routine treatment program will extend the life of the floor finish and help maintain the gloss.

Use on finished resilient Asphalt, Vinyl, Rubber and Linoleum floors. Attracts dusts and lint like a magnet. Helps mops and cloths hold more dirt.

DIRECTIONS: Hold dispenser upright 6 to 8 inches from mop or cloth. Spray a light mist directly on mop or cloth. Allow treatment to penetrate. Dust or mop as usual. Reapply as needed. For best results, treat dust mops overnight. When saturated, shake out lint and clean mop, cloth or mitt in washing machine. Retreat after washing.

DANGER: Use with adequate ventilation. Avoid contact with eyes and skin. Inhalation may cause dizziness, drowsiness and throat irritation. Skin irritant. Overexposure and/or individual sensitivity to components in the product may cause central nervous system depression. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight.

FIRST AID: IF EYE CONTACT: Flush immediately with plenty of water for at least 15 minutes. If discomfort persists, see a physician. IF SKIN CONTACT: Wash with soap and water. If irritation is persistent, contact a physician. EXCESSIVE INHALATION: Remove to fresh air. Call physician immediately. If breathing stops give artificial respiration. IF INGESTED: Do not induce vomiting. Call physician immediately.

CONTAINS (CAS No.): Isoparaffinic Solvent (64742-47-8), Odorless Mineral Spirits (64741-65-7), Mineral Oil (8042-47-5) and Liquefied Petroleum Gas (68476-85-7).
