## Concentrated Deodorizer

Fast-Acting

Essential Oil Based

Long-Lasting

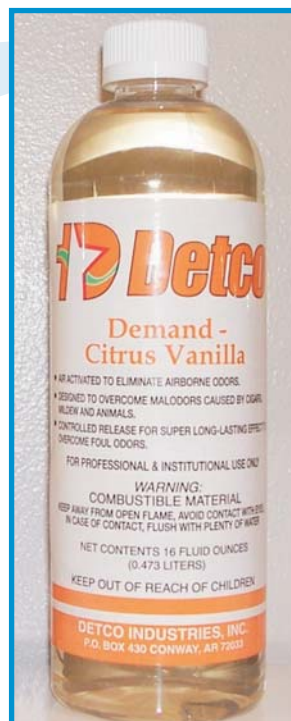

**Demand** is a natural essential oil based odor control system. It is designed to overcome malodors caused by smoke, mildew and animals. The controlled release allows for a long lasting effect.

**Demand** can be used by spraying into the air, or by pouring into wick stations or odor granule stations. Since it is a blend of natural oils, the color of the product may vary from batch to batch. This is normal and will not affect the performance of the product.

**Demand** is available in the following fragrances:

Original Citrus Vanilla
