

HOUSEKEEPING

Shine Concentrate

Concentrated Glass and Mirror Cleaner

Concentrated

Dilutes 10:1

Non-Streaking

Phosphate Free

Non-Ammoniated

Fast-Drying

Shine Concentrate is a premium quality, concentrated glass cleaner. It does not contain ammonia or other harmful ingredients.

Shine Concentrate quickly penetrates grease, grime and dirt while leaving the glass streak free and residue free. It is ideal for use on windows, mirrors, countertops, windshields and many other places.

Since **Shine Concentrate** dilutes 1 part with 10 parts water, it is very economical to use.
