

This professional strength formulation will clean and shine a wide variety of surfaces with one easy application. The advanced surfactant cleaning system is delivered by a fast breaking and pleasantly scented white foam. Clinging action instantly attacks and loosens dirt, fingerprints, smudges, etc... from virtually any type of hard surface. Works especially well on doors, door frames, walls, ceramic and plastic tile, sinks, tubs, showers, counter tops, table tops as well as vinyl, leather and plastic surfaces. The all purpose cleaner does not contain abrasives, therefore it cannot wear off porcelain from bath tubs and wash stands. Excellent for use in cleaning vertical as well as horizontal surfaces. Simply spray on and wipe! No buffing, hazing, or rub-out required to make these surfaces look new and refreshed.

DIRECTIONS:

Shake well. Remove cap and turn actuator toward dot on valve cup. Hold can 6-12 inches from surface to be cleaned. Cover the area with a light spray - do not over apply. Wipe clean and dry with a dry cloth. Be sure to use a clean wiper to prevent reapplying deposits. Not for use on glass or mirrored surfaces.

WARNING:

Flammable Aerosol. Contains gas under pressure; may explode if heated.

Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

CONTAINS (CAS#): Water (7732-18-5), 2-Butoxyethanol (111-76-2), Propane/n-Butane (68476-86-8), Nonionic Surfactant (127087-87-0).
