

Mega-Strip

No-Scrub Floor Stripper

Removes Heavy Accumulations

Non-Ammoniated

Fast-Acting

Pleasant Fragrance

Mega Strip is a fast-acting, low odor, low foaming, concentrated stripper that strips without heavy scrubbing. It will reliquify most floor finishes and will not bleach or discolor floors.

Mega Strip may be used on most floor surfaces on which water emulsion floor finishes and sealers are applied, such as asphalt tile, vinyl tile, concrete, terrazzo, marble, ceramic tile, quarry tile and slate. Although designed to work without heavy agitation, it may be used with floor scrubbing machines and pads if desired.

Mega Strip is non-ammoniated and has a pleasant lime fragrance.
