

Detco 45

Penetrating Lubricant

Non-Chlorinated

Contains PTFE

Excellent Rust Buster

Safe on Plastics, Rubber and Painted Surfaces

Detco 45 is a powerful 4 in 1 product. It penetrates, lubricates, cleans and prevents corrosion.

Detco 45 is fortified with PTFE to leave a residual coating that is long-lasting and does not contain any chlorinated hydrocarbons.

Detco 45 is safe to use on aluminum, plastic, rubber and painted surfaces. It provides excellent pressure and temperature resistance while reducing friction and wear.
