

Det-Ware Rinse Aid

WARE WASHING

Prevents Spotting

Non-Foaming

Highly Concentrated

Det-Ware Rinse Aid is a highly concentrated rinse aid for use in automatic dishwashing units.

Det-Ware Rinse Aid prevents water spots and scale deposits on glassware and dishes.

Using **Det-Ware Rinse Aid** along with **Det-Ware Chlorinated Dishwash** will significantly reduce the scale buildup in the dishwashing unit.

1 mL per rack Injection Rate
