

Invisi-Blu

Concentrated Glass and Mirror Cleaner

Concentrated

Non-Flammable

Non-Streaking ✨

Phosphate Free

Non-Ammoniated

Fast-Drying

Invisi-Blu is a premium quality, concentrated glass cleaner. It does not contain ammonia or other harmful ingredients.

Invisi-Blu is not flammable like most other concentrated glass cleaners, which makes it much safer to use.

Invisi-Blu quickly penetrates grease, grime and dirt while leaving the glass streak free and residue free. It is ideal for use on windows, mirrors, countertops, windshields and many other places.

Since **Invisi-Blu** dilutes 1 part with 9 parts water, it is very economical to use.
