Steams-It II

Heavy-Duty Alkaline Cleaner

Highly Concentrated

• **High Foaming**

Biodegradable

Steams-It II is designed to easily remove oil, grease, animal fat and protein. It contains powerful detergents, wetting agents, penetrants, emulsifiers, rinse additives and chelating agents that provide excellent cleaning power.

Steams-It II can penetrate deeply into cracks, corners and crevices to remove grease, oil, dirt, grime, smoke, soot and other soils from most washable surfaces.

Steams-It II is highly dilutable with water and can be used with hard or soft water in hot or cold cleaning applications.
