Coil New

No Rinse Coil Cleaner

Economical

No Rinsing Required

No Harsh Chemicals

Coil New is a specially formulated product that is designed to reduce labor when cleaning coils. This no-rinse formula is simple to use and safety engineered.

Coil New is designed to be a versatile cleaning product. It can be diluted with 3 parts water and sprayed directly onto the condensing coils. The condensation formed by the operation will rinse the coil clean. On exterior coils, rinsing is required.

Coil New is non-acid, non-caustic and non-flammable making it simple and safe to use.
