

Acid Resistant Sprayer

2 Gallon Capacity
Poly Construction
Corrosion Resistant
Viton Seals
Pressure Relief Valve
Drip Tray
Teardrop Shaped

This sprayer is constructed with all poly components and viton seals to make it corrosion resistant. It is perfect for use with acids.

The drip tray and teardrop shape add extra stability and reduce the chance of the sprayer tipping over.

It includes a pressure relief valve and 4 different spray tips for a variety of spray patterns.

Part Number: EQP030
