

Lemon Soil Away

Concentrated Vehicle Wash

Concentrated

Safe to Use

Biodegradable

Removes Dirt, Grime, Bugs and Road Film

Lemon Soil Away can safely be applied to all vehicle surfaces, rinses clean and leaves no residue or film behind. It removes dirt, grime, bugs and road film without harming the clear coat protectant or dulling chrome surfaces.

Lemon Soil Away can be used as the first step in a two-step washing system or used as a stand alone product.

Lemon Soil Away can be applied from 15 parts water to 1 part chemical to provide excellent cleaning. It can be diluted up to 64 parts water with 1 part chemical for light cleaning.
